Senator BERNARDI-Now that you have mentioned sporting facility commitments made during the election campaign, I wonder if you would table a list of those for me. You will have to take that on notice, I presume.

Senator Arbib-I will take it on notice, yes.

Senator BERNARDI-All the promises and commitments for sporting facilities and the electorates in which they are located, and the states. I will put all this on notice for you in a written question, if you would like.
