Senator HUMPHRIES-Could we have a list of all the websites that have been archived from 2007 and from 2010?

Dr Cathro-Just the election related websites?

Senator HUMPHRIES-Just the election related ones, yes.

Dr Cathro-Yes. I can get the list. They are available online in our PANDORA archive for browsing, but we can still get you a list.

Answer:

The list of all election campaign web sites collected by the National Library are available at <http://pandora.nla.gov.au/subject/6>. The websites have been grouped into “collections” – for instance, into collections relating to House of Representative candidate sites; Senate candidate sites; and interest and lobby group sites. To see the list of sites collected within each grouping or “collection”, click on the relevant “collection” name; for instance, *2007 Australian federal election campaign – House of Representatives election candidate web sites*.
