

# Senate Finance and Public Administration Legislation Committee —Supplementary Budget Estimates Hearing—October 2011

## Answers to Questions on Notice

### Parliamentary departments, Department of Parliamentary Services

Topic:                                **New CCTV system**  
Question:                            **6**  
Hansard reference                **F&PA p.17, 17 October 2011**

**Date set by the committee for the return of answer: 2 December 2011**

**Senator RONALDSON:** We now have a new digital security camera system, is that right?

**Ms Graham:** That is correct.

**Senator RONALDSON:** When was that installed?

**Ms Graham:** It is currently in the process of final commissioning. I believe the project is just wrapping up to a formal close. I think we took over the system about October last year, but I would like to check that date.

## Answer

1        The new Camera Management System went into production use on 18 June 2010.
