## ANSWERS TO QUESTIONS ON NOTICE

Supplementary Budget Estimates 17-20 October 2011

Prime Minister and Cabinet Portfolio

**Department/Agency:** Australian Sports Commission

**Outcome/Program:**

**Topic:** Discretionary Grants

**Senator:** Senator Ryan

**Question reference number:** 141S

**Type of question:** Written

**Date set by the committee for the return of answer:** 2 December 2011

**Number of pages:** 1

**Question:**

1. Could the Department provide a list of all discretionary grants, including ad hoc and one-off grants for the year 2010-11? Please provide details of the recipients, the intended use of the grants and what locations have benefited from the grants.  
See response below.
2. Could the Department provide a list of all discretionary grants, including ad hoc and one-off grants FYTD? Please provide details of the recipients, the intended use of the grants and what locations have benefited from the grants.

Grants are listed on the ASC website – [www.ausport.gov.au](http://www.ausport.gov.au)

In addition to the grants that are listed on the ASC website, further information on grants that are not yet published on the website are provided at Attachments A and B.

3. Has the Department complied with interim requirements relating to the publication of discretionary grants?

As a statutory authority under the Commonwealth Authorities and Companies Act 1997 (CAC Act), the Australian Sports Commission is not bound by the Commonwealth Grant Guidelines. However, since 1 July 2010, the Commission has published approved grants on its website [www.ausport.gov.au](http://www.ausport.gov.au) with the exception of the special initiative grants for the Active After-school Communities program, and the International Sport for Development grants. The ASC is currently working towards publishing all approved grants on the website as of 2012/13.

**Active After-school Communities Grants for 2010/11 and 2011/12 as at 8 November 2011.**

The Active After-school Communities (AASC) program is a national initiative that provides primary school-aged children with access to free sport and other structured physical activity programs in the after-school time slot.

Annual grants provided to *primary schools and out of school hours care centres*, through the AASC program are published on the Australian Sports Commission website at [http://www.ausport.gov.au/supporting/funding/grants\\_and\\_scholarships/grant\\_funding\\_report](http://www.ausport.gov.au/supporting/funding/grants_and_scholarships/grant_funding_report)

In addition to the annual grants, further Special Initiative Grants have been provided to organisations as follows:
