Question:

Mr Ronalds: Again, you are correct in that they relate very closely. As Treasury are developing reform options in relation to that regulation as they are beginning their work establishing the regulator, we are working very closely with them to ensure that it is aligned with the long-term sustainability of the sector. That is how we relate to them.

Senator SIEWERT: If you could provide me with a schema that shows those parts, who is doing what and how they relate, that would be appreciated.

Mr Ronalds: We will take that on notice.
