Question: 59

Topic: Project Milestones

Asked By: Senator JOYCE

Type of Question: Written

Date set by the committee for the return of answer: 2 December 2011

Number of pages: 1

Has the Inspectorate assessed whether any projects are meeting milestones?

Are there any projects behind time on meeting milestones?

Answer:

The Reconstruction Inspectorate has assessed one completed project as part of its pilot review. The Amamoor Creek Road project submitted by Gympie Regional Council was completed within the projected timeframe.

There are eight projects currently under review. Of those where construction has begun, there is no indication that they are behind schedule.
