<b>Q No.</b>	<b>Program: Division or Agency</b>	<b>Senator</b>	<b>Broad Topic</b>	<b>Question</b>	<b>Proof Hansard Page &amp; Hearing Date or Written Q</b>	<b>Date Rec'd</b>	<b>Date Tabled</b>
1	Medibank Private	Cormann	Medibank cash reserves	<b>Senator CORMANN:</b> Before you have nominated for us what the dollar value of your capital reserves above— <b>Senator Wong:</b> No, I don't think so. <b>Mr Savvides:</b> I actually do not know what it is. I can take it on notice. But I am not sure whether we would like to reveal that, because it is a sensitive area around competition.	Hansard, F&PA Committee, Page 6, 16 October 2012	30/11/12	7/2/13
2	Medibank Private	Cormann	Medibank taxes and dividends paid to the government	<b>Senator CORMANN:</b> On notice, could you provide us with the dollar figure of how much Medibank has paid to the government in taxes and dividends and how much is committed in taxes and dividends for this financial year, since 1 October 2009? <b>Mr Savvides:</b> I can do that; it is publicly recorded information.	Hansard, F&PA Committee, Page 9, 16 October 2012	15/1/13	7/2/13
3	Medibank Private	Cormann	30 per cent rebate	<b>Senator CORMANN:</b> On notice, could you tell us what the dollar value of the discount effectively has been across these 100,000 people? <b>Mr Savvides:</b> I guess that is a calculation we can do.	Hansard, F&PA Committee, Page 10, 16 October 2012	18/1/13	7/2/13
4	Medibank Private	Xenophon	Volatility of claim levels	<b>Mr Savvides</b> ...Year on year, claiming levels change even by state. South Australia in the year gone—not this year but the one prior to it—had a lighter claiming experience. Hence the margins are higher for the private health insurers in that state, but that fluctuates year on year. Despite the attention drawn to those margins, they are just picking up volatility; they are not picking up long-term trends. ... <b>Senator XENOPHON:</b> Just on that, and then I want to move onto another topic briefly: are you able to provide details on notice about that level of volatility that you have described? <b>Mr Savvides:</b> I am happy to do that. 5	Medibank Private	Moore	Health Advice line	<b>Senator MOORE:</b> There are options. And with feedback, I know that the company does lots of assessment in working with clients about how they know about the service and if they have been happy with the service and all that kind of thing. What is the methodology that you use with the 24-hour service? <b>Mr Savvides:</b> There is an advocacy survey. I am not sure about the methodology; I can take that on notice and come back to you.	Hansard, F&PA Committee, Page 14, 16 October 2012	30/11/12	7/2/13
6	Medibank Private	Moore	Service proportions	<b>Senator MOORE:</b> With the current operations of Medibank: is there a way of finding out the percentage of your activity that is done in each of the major components? Do you have a comparison for now, as in today in Medibank, for the proportion of the service that is being done by people going into a shop based service, or online 24-hour service— just in terms of the business itself? <b>Mr Savvides:</b> We can do a pie chart and have the proportions— <b>Senator MOORE:</b> I do not think that is in your annual report— <b>Mr Savvides:</b> No, it is not. <b>Senator MOORE:</b> I would find a pie chart of that nature very interesting. <b>Mr Savvides:</b> I think we could do that, yes.	Hansard, F&PA Committee, Page 14, 16 October 2012	29/11/12	7/2/13
7	Medibank Private	Moore	Defence contract	<b>Senator MOORE:</b> Mr Savvides, this is for on notice rather than use the time today. I would like to know more about the defence contract and what went into it, so what you had to do. Can I arrange, through the minister, a briefing as a member on that process? That would be really useful. <b>Mr Savvides:</b> Okay, I am happy to do that.	Hansard, F&PA Committee, Page 15, 16 October 2012	20/11/12	7/2/13
8	1/ 1.3	Cormann	Payments made from Funds	<b>Senator CORMANN:</b> So as at June the Education Investment Fund was \$4.298 billion, the BAF was \$5.878 billion and the Health and Hospitals Fund stood at \$3.315 billion. How much was drawn down from these respective funds during the financial year 2011-12 by the government? <b>Mr Helgeby:</b> I think that might be a question for Finance. Is it the 2011-12 financial year? <b>Senator CORMANN:</b> Yes. <b>Mr Helgeby:</b> So this is payments including for projects commenced in early years. 				<p>Payments made out of the BAF were \$2.7 billion, out of the Education Investment Fund, \$846½ million, and out of the HHF, \$1.240.9 million. So those were the payments made for 2011-12. That represents the full payments up until 30 June.</p> <p><b>Senator CORMANN:</b> And that is accounted for in the government's budget for 2011-12?</p> <p><b>Senator CORMANN:</b> So it is like the effect is immediate as you draw down.</p> <p><b>Mr Helgeby:</b> There can be a short time lag between payments coming out of the funds and payments going to respective agencies.</p> <p><b>Senator CORMANN:</b> Has there been any lag from 2011-12 to 2012-13?</p> <p><b>Mr Helgeby:</b> I am not aware of any. I would have to take it on notice as to whether there was any actual lag.</p> <p><b>Senator CORMANN:</b> Yes, if there was any lag I would be interested in the dollar figure that relates to it. That is assuming that there is no lag from one financial year into the next, but if there is then I would appreciate it if you could put the dollar figure to it</p> <p><b>Mr Helgeby:</b> We will take it on notice and try and answer it later.</p>			
<b>9</b>	Future Fund	Cormann	Bonuses paid in 2011-12	<p><b>Senator CORMANN:</b> Thank God that you were able to use a three-year period, right? So what was the total amount of bonuses paid in 2011-12?</p> <p><b>Mr Burgess:</b> I would have to take that on notice. I do not have that figure with me at the moment.</p> <p><b>Senator CORMANN:</b> Thank you.</p>	Hansard, F&PA Committee, Page 20, 16 October 2012	11/2/13	21/3/13
<b>10</b>	Future Fund	Di Natale	ESG Policy	<p><b>Senator DI NATALE:</b> I suppose that the question is very specific. I am asking for just one example—not a long list—of where that engagement has improved the behaviour of any of the tobacco stocks in which we invest. Perhaps it might be helpful if you could define what criteria were used for improved behaviour with the fund?</p> <p><b>Dr Burgess:</b> I might stand corrected here. I do not think that previously we were asked specifically about that industry. We were asked generally about the role of engagement and the way in which engagement works, and I think that we answered</p>	Hansard, F&PA Committee, Page 22, 16 October 2012	29/11/12	7/2/13

				the question. To answer specifically about that industry, I might take that point on notice.			
<b>11</b>	Future Fund	Di Natale	ESG Policy	<p><b>Senator DI NATALE:</b> The question I have is that, given the behaviour of that company, how is it consistent, again, with ensuring that our ESG policy targets those industries with a poor track record and ensures that we improve that behaviour?</p> <p><b>Mr Burgess:</b> I think today you have outlined a series of views and opinions on the behaviours of companies—</p> <p><b>Senator DI NATALE:</b> No, these are facts. I have outlined a series of facts about the behaviour which these companies are engaged in.</p> <p><b>Mr Burgess:</b> As I mentioned, when we are presented with facts as you have outlined today, we will review them and look at them. So I will take that on notice and come back to you with a comment on those issues.</p>	Hansard, F&PA Committee, Page 23, 16 October 2012	29/11/12	7/2/13
<b>12</b>	Future Fund	Di Natale	ESG Policy	<p><b>Senator DI NATALE:</b> ... Again, I just want an example of how we are attempting to improve the behaviour of Philip Morris through our ESG approach.</p> <p><b>Mr Burgess:</b> As I mentioned, we would expect our managers to engage with any company that we invest in to ensure that they operate at the standards that we expect. We monitor that very closely. You have given detail today. I would have to take that on notice, come back to you and discuss that. We will provide that to you on notice.</p>	Hansard, F&PA Committee, Page 24, 16 October 2012	29/11/12	7/2/13
<b>13</b>	Future Fund	Ryan	Travel expenses	<p><b>Senator RYAN:</b> It just leapt out at me as that works out at \$1,000 a head. I accept part of your explanation about the travel costs, but I would be interested in knowing whether that is an accurate number because 10 months that means you are looking at well over \$90,000, nearing \$100,000, a year on taxis. That is a lot of trips to the airport.</p> <p><b>Mr Burgess:</b> I will take that on notice. Look, anecdotally, we are not extensive users of taxis, but I will come back to you and provide further detail.</p>	Hansard, F&PA Committee, Page 25, 16 October 2012	20/11/12	7/2/13

<b>15</b>	Future Fund	Di Natale	Tobacco companies	Which tobacco companies does the Fund or its proxies hold tobacco stocks in? <b>16</b>	Future Fund	Di Natale	ESG policy	Given that the Fund's ESG policy emphasises continued engagement with companies through measures such as the exercise of voting rights rather than exclusion, please detail specific instances where the Future Fund has observed or caused improvements in corporate behaviour in any tobacco company or companies since the introduction of its ESG policy. Where the Fund claims to have caused this change, please provide evidence to support this.	Written	20/11/12	7/2/13
<b>17</b>	1/1.1	Abetz	Fair Work Act review	<b>Senator ABETZ:</b> FOI has disclosed that there was quite some traffic and discussion about the terms of reference. We have canvassed that in the past, and that is all on the public record; there is no sense in canvassing that again. But in situations where there is that sort of a discussion, a minister trying to wear both hats seems to me to be unhelpful to good governance. I will just leave it at that, and, Minister, if you have agreed to take that aspect on notice— <b>Senator Wong:</b> I will, but I may refer it—	Hansard, F&PA Committee, Page 27, 16 October 2012	Answered Page 30.	
<b>18</b>	1/1.1	Sinodinos	'Tell us once' initiative	<b>Senator SINODINOS:</b> Is it possible to get some more details of the 'tell us once' initiative? 20	1/1.1	Cormann	MySuper bills	<p><b>Senator CORMANN:</b> Okay. I have a few specific questions in relation to a piece of legislation in my portfolio. Mr McNamara, can you talk us through your involvement with the third tranche of the MySuper bills currently before the parliament, your involvement with that piece of regulatory change, in terms of assessing its compliance with best practice regulation requirements?</p> <p><b>Mr McNamara:</b> I would have to take on notice any questions in regard to that.</p> <p>...</p> <p><b>Senator CORMANN:</b> The third tranche of the MySuper bills. It is a very simple question: what was your involvement in the assessment of that proposed regulatory change?</p> <p><b>Mr McNamara:</b> I would have to take that on notice. I am not sure in terms of the MySuper ones.</p> <p>...</p> <p><b>Mr McNamara:</b> Yes, it would. We would assess it. For some of the MySuper things, it is a bit complex because there are some RISs and some exemptions. But, if you are referring to the MySuper products to employers issue from last year, I am pretty sure that that was subject to a Prime Minister's exemption. A lot of the super changes are subject to a Prime Minister's exemption. I think that could be one of them, but it depends on the particular—</p> <p><b>Senator CORMANN:</b> Take it on notice and see what you can do to assist us further.</p> <p><b>Senator CORMANN:</b> On notice, then: can you provide us with a detailed answer about your involvement in the RIS process for the third tranche of the MySuper legislation; specifically, which parts of it were exempt under the prime ministerial exemptions, which parts of it were assessed in draft and which parts, if any, were</p>	Hansard, F&PA Committee, Pages 39 & 40, 16 October 2012	11/1/13	7/2/13

<b>21</b>	2/2.3	Xenophon	Asset registers	<b>Senator XENOPHON:</b> ...in relation to a review of the insurance arrangements of state and territory governments under the Natural Disaster Relief and Recovery Arrangements determination. I have a number of questions in respect of that. ... <b>Senator XENOPHON:</b> So are you aware of whether state and territory governments actually have an asset register? <b>Mr Tune:</b> No, I am not aware of that. My people might be, but I am not. I will take that on notice, if that is okay? <b>Senator XENOPHON:</b> Sure, of course. Has the department issued a data template so that the states and territories can supply consistent data in the future which can be appropriately analysed by the department? <b>Mr Tune:</b> Once again, I will have to take that on notice. <b>22</b>	1/1.1	Cormann	Final budget outcome	<b>Senator CORMANN:</b> I want to go to the Final Budget Outcome for a moment. .... <b>Senator CORMANN:</b> On page 100. Footnote (a) in table B1, for example, in the Final Budget Outcome says: Data have been revised in the 2011-12 Final Budget Outcome to improve accuracy and comparability through time. Are you able to talk us through what the key revisions were that this footnote refers to? What series were particularly affected? <b>Senator Wong:</b> We might need to take on notice the detail of what that means. Certainly on more than one occasion where there is a change, for example, to nominal GDP or some other measure as a result of ABS advice, some of the tables are recast in hindsight so that you can actually accurately compare. I do not know if this is one of those. Can we take that on notice.	Hansard, F&PA Committee, Pages 47-48, 16 October 2012	22/11/12	7/2/13
<b>23</b>	1/1.1	Cormann	Final budget outcome	<b>Senator CORMANN:</b> No worries. Sticking with the final budget outcome, table 3 on page 5 refers to a shortfall of \$262 million in receipts from sales of goods and services. Is that a routine shortfall? 				impact in 2012-13? <b>Mr Martine:</b> We would probably need to take that on notice. I am just seeing if I have any material on that level of disaggregation. It doesn't look like I do. No, we would need to take that on notice.	Pages 48, 16 October 2012		
<b>24</b>	1/1.1	Cormann	Cash and Accrual shortfalls	<b>Senator CORMANN:</b> Sure, so the cash shortfall is \$262 million; the accrual shortfall is \$150 million, I assume. Does that mean there is a slippage in cash receipts that then will be allocated against 2012-13 instead—the \$112 million? <b>Mr Martine:</b> It probably depends a bit on the causes of the difference in the two numbers in terms of recognition—whether something is slipping or not. We do need to take that on notice. <b>Senator CORMANN:</b> Could you take on notice what has caused that. I would be interested whether that is something that happens on a routine basis or whether that is unusual.	Hansard, F&PA Committee, Page 48, 16 October 2012	6/2/13	21/3/13
<b>25</b>	1/1.1	Cormann	Windfall in 'Other' category	<b>Senator CORMANN:</b> If Future Fund earnings are included in other non-taxation receipts, due to the Future Fund earnings shortfall of \$457 million, the remaining items in the 'Other' category must have had a windfall of around \$840 million. What was the cause of that windfall? <b>Mr Martine:</b> Are you talking about table 3? <b>Senator CORMANN:</b> Yes. <b>Mr Martine:</b> We would need to take it on notice to get a disaggregation of those numbers, because some of the Future Fund earnings would be coming through as dividends and some would be coming through as interest received. I am just not quite sure what the split is on that.	Hansard, F&PA Committee, Page 48, 16 October 2012	29/11/12	7/2/13

				<b>Senator Wong:</b> I will consider it. Governments do not budget beyond the forward estimates. Your government never did, and you are asking for information beyond the forwards. We will see if we can assist but I am certainly not flagging that I am agreeing now to provide it. I am agreeing to consider it, and we will take it on notice.			
<b>27</b>	1/1.1	Ryan	Savings proposed for business class travel	<p><b>Senator RYAN:</b> Minister, are there any proposals for restrictions on business class flights? .... <b>Senator RYAN:</b> Okay. Can you provide a breakdown of what you expect each department or agency to save? <b>Mr Tune:</b> Yes. <b>Senator RYAN:</b> Can you take it on notice to do that? <b>Mr Tune:</b> Yes. If I can just go back a step, the allocation of the saving has been done by portfolio. <b>Senator RYAN:</b> That is fine; then I can ask the question in the future and it will be apples and apples.</p>	Hansard, F&PA Committee, Page 56, 16 October 2012	22/1/13	7/2/13
<b>28</b>	1/1.1	Ryan	Final budget outcome	<p><b>Senator RYAN:</b> Is it possible to get a copy of that advice? <b>Senator Wong:</b> Disaggregation by portfolio? Is that what you are asking? <b>Senator RYAN:</b> I was after the disaggregation, but I was also after the instruction. <b>Senator Wong:</b> About? <b>Senator RYAN:</b> The instruction to agencies. <b>Mr Tune:</b> There is a standard letter that I wrote in conjunction with Ian Watt, Secretary of PM&amp;C, to each secretary. That letter has a standard text. I can supplement that by giving you the detail of agency by agency. <b>Senator RYAN:</b> That is fine. It would be very helpful. ... <b>Senator RYAN:</b> I appreciate that. There was also a statement about reducing the Public Service's reliance on external consultants and contractors. Again, can you provide a breakdown? I will assume it is by portfolio. .... So it was just a flat percentage of the spend by portfolio?</p>	Hansard, F&PA Committee, Pages 56 & 57, 16 October 2012	22/1/13	7/2/13

				<p><b>Mr Tune:</b> Yes, and then we break it down by portfolio as to what their spend is.  <b>Senator RYAN:</b> Is it possible to get those targets as well?  <b>Mr Tune:</b> Yes.  <b>Senator RYAN:</b> If possible I would like a similar package of information—the blank, unaddressed letter with who you sent it to.  <b>Mr Tune:</b> It is all one letter. <b>29</b>	1/1.1	Ryan	Costings on second-round effects in budget	<p><b>Senator RYAN:</b> Sure. I have asked this question before, and I would like to ask it again. The Charter of Budget Honesty policy costing guidelines states that the second-round effects have only rarely been included in costings. We have pursued this before. Were any second-round effects included in any 2012-13 budget measures?  <b>Mr Tune:</b> No, I do not think so. I will confirm that for you, but I am pretty sure the answer is no.  <b>Senator RYAN:</b> If there were, could you provide details please?  <b>Mr Tune:</b> If there was something, I will provide it to you. If not, assume no.  <b>Senator RYAN:</b> Thank you. Were any second-round effects included in any of the clean energy future measures announced in the 2011-12 MYEFO?  <b>Senator Wong:</b> We might have to take that on notice.  <b>Mr Tune:</b> Once again, I think the answer is no, but I will confirm that.  <b>Senator RYAN:</b> I assume this will need to be taken on notice. The <i>Canberra Times</i> has reported that 4,300 jobs have been cut this year. In an interview on 13 September 2012, Minister Wong said that '3,000 public service jobs will be shed this financial year'. Can we just get a bit of consistency? There is the actual history, and the best place to find the actual history is in the <i>Australian Public Service Statistical Bulletin</i>, which is put out by the APSC. I can get those numbers for you easily enough. Then you are into the future and what is going to happen. For the 2012-13 year, the best measure of that is what we put into the budget papers, and they indicated a reduction of 3,073. That is the forecast.</p>

So beyond the \$9.8 billion in contracts let by 24 September 2012, according to the information available to the Department of Finance, what else is likely to be committed between now and 30 June 2013 beyond the \$9.8 billion that has already been committed?</p> <p><b>Mr P Smith:</b> We would have to take that on notice because we do not have the individual details of the contracts per se.</p> <p><b>Senator CORMANN:</b> Thank you. 				<p><b>Ms Mason:</b> I think we need to check that. We need to take it on notice.</p> <p><b>Senator CORMANN:</b> That is fine. For the purposes of our discussion I want to give as high a level of indication—is it like fifty-fifty or twenty-eighty?</p> <p><b>Mr Tune:</b> No, I think it is more biased towards general borrowing and from the—</p> <p><b>Senator Wong:</b> I am not sure. If we could take that on notice, we will check that. So you want, over the forward estimates period, what proportion of the government's equity contribution is going to be met through the issue of AIBs?</p> <p><b>Senator CORMANN:</b> Yes, if we can do it looking back and looking forward that would be right.</p>			
33	1/1.1	Ryan	Strategic review of AGD contract	<p><b>Senator RYAN:</b> That is very helpful. I want to turn to the last one, which is the strategic review of the Attorney-General's portfolio by Mr Stephen Skehill. At \$122,414, that is a more precise number for roughly 4½ months' work, from 12 August 2011 to 31 December 2011. What was the particular structure? I remember our discussion about strategic reviews which you are undertaking, but what was the structure of the engagement of that contract?</p> <p><b>Mr Tune:</b> I am less clear on that one. I will see whether I have something here about it. The budget people who would have commissioned that one have gone so I will have to take that question on notice, if I may.</p>	Hansard, F&PA Committee, Page 66, 16 October 2012	11/2/13	21/3/13

				contract? <b>Mr Renwick:</b> We can do that for the Moorebank unit's relocation part, but in terms of the actual IMT development, which is part of the \$2 billion, part of the tender process is going to the market. For sure. In the interests of bringing this outcome to a conclusion quickly I will put the questions on office leases on notice, but if I can just read into Hansard some questions in relation to detention centres—unless you have got it here handy. We are looking for a list of all incidents that have caused property damage in detention centres, both in Australia—including Christmas Island and the offshore processing centres—since 1 July 2012 and for which claims have been submitted, including the date, the location and the estimated cost of repairs or replacement of property; the cost of those incidents to the Commonwealth budget; and the proportion that is covered by insurance. How long do you keep those sorts of records for? ... <b>Senator RONALDSON:</b> There is a sentencing file period but there are other circumstances where those records are kept for longer. Is it so? <b>Ms Mason:</b> I believe that there is a normal sentencing of files, and I would wish to get this confirmed, of about five or seven years. But sometimes there are files that are likely to be required for a longer period for business purposes and those files may be retained for as long as they are required. ... <b>Senator RONALDSON:</b> Would there be a record of the non-sentenced files? <b>Mr Tune:</b> Yes, they would be on the files list. <b>Senator RONALDSON:</b> Could you perhaps take that on notice for me as well? 				.... <b>Senator Wong:</b> We can take on notice the exact date for that.	Page 105, 16 October 2012		
<b>59</b>	ASC	Johnston	Dividends	<b>Senator JOHNSTON:</b> What about \$2.1 million? <b>Ms Hall:</b> I do not have that information with me in relation to the plan. <b>Senator JOHNSTON:</b> Could you take that on notice. <b>Ms Hall:</b> I am happy to take that on notice, but that represented a return on equity of about 6.4 per cent, which is satisfactory. It is in the order of the same level of returns achieved by a comparable GBE. So to answer your initial question—are we happy with that level of dividend?—yes, we are.	Hansard, F&PA Committee, Pages 107-108, 16 October 2012	15/1/13	7/2/13
<b>60</b>	ASC	Johnston	Projected profit	<b>Senator JOHNSTON:</b> So do you think post facto analysis is commercial in confidence? So if I want the last five years of projected figures of profit and annual realised profit, is that a problem? <b>Ms Hall:</b> We would have to take that on notice. It would depend on the level of detail, I would suspect. <b>Senator JOHNSTON:</b> I just want the number, so 'we promised six and we delivered two'. <b>Ms Hall:</b> We are certainly happy to take that on notice for you.	Hansard, F&PA Committee, Page 109, 16 October 2012	15/1/13	7/2/13
<b>61</b>	ASC	Johnston	Payment for platform systems	<b>Mr Ludlam:</b> We have been the platform system integrator role, where we have analysed to a pre-described format the lifetime expectancy of all the platform systems within the platform. <b>Senator JOHNSTON:</b> And have you been paid for that work? <b>Mr Ludlam:</b> Yes we have. <b>Senator JOHNSTON:</b> Can you tell me roughly how much you have been paid? <b>Mr Ludlam:</b> I would have to take that on notice.
