Answer:

In 2007 OIGIS purchased one Jura Impressa C5 coffee machine from Cosmorex at a cost of \$1,595.00 from general funds (Appropriation 1).

Staff meet the ongoing costs for coffee supplies for use in the machine. OIGIS spent \$108.00 in 2010-11 to purchase coffee supplies for official visitors.

In 2011-12 OIGIS spent \$51.00 on servicing the coffee machine. In this financial year to date (as at 30 September 2012), OIGIS spent \$472.81 on machine repairs. These costs have been met from general funds.

The coffee machine was purchased to reduce the time taken by staff in leaving the workplace to queue to purchase coffee and to provide coffee to official visitors.
