Question No. 47

Senator Crossin asked the following question at the hearing on 14 February 2006

Did the Riverstone Aboriginal Community Association convey to the Department concerns (either by letter of complaint or at the October 2005 meeting) that a letter of support they gave to the first Hillsong application was re-used in the second application?

The answer to the honourable senator's question is as follows:

Yes, it was raised at the meeting on 20 October, 2005 which was called to attempt to resolve differences between the partners. Partnership arrangements are then formalised in the funding agreement, which was not concluded for this project.
