**Question No. 71**

**Senator Ludwig asked the following question at the hearing on 14 February 2006:**

Please provide copies of the reports by the Chair of the Board and the CEO of the ACC mentioned on page 15 of the annual report. If not, why not?

**The answer to the honourable senator's question is as follows:**

Given the sensitive nature of the classified documents requested by the Committee and the potential adverse impact of their public release, the ACC is unable to provide them to the Committee.
