

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS
AUSTRALIAN FEDERAL POLICE

Question No. 110

Senator Nettle asked the following question at the hearing on 13 February 2007:

- a) Has the AFP provided any input to government policy in relation to David Hicks?

The answer to the honourable senator's question is as follows:

- a) The Australian Federal Police (AFP) provides general advice to government on law enforcement issues. The AFP on occasion has informed the government on key developments in its investigation into Mr Hicks. As this is an ongoing investigation it would be inappropriate to comment further.
