

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS
AUSTRALIAN CUSTOMS SERVICE

Question No. 33

Senator Siewert asked the following question at the hearing on 18 February 2008:

What date was the evidence collected during the *Oceanic Viking's* mission to conduct the surveillance on whaling operations released on, that is, the video evidence?

The answer to the honourable senator's question is as follows:

The still and video footage was taken on Thursday 31 January 2008 and released on Thursday 7 February 2008.
