#### **(31) Output 2.3: Australian Citizenship**

Senator Allison (L&CA 103) asked:

Provide the table showing the month-by-month data for citizenship applications.

*Answer:*

A table and graph showing the total number of people who applied for citizenship by conferral, by month and program year, for the last three years is attached.

It should be noted that, in some circumstances, more than one person can be included in a single application. The attached table and graph shows numbers of people rather than numbers of applications.
