

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS  
AUSTRALIAN CRIME COMMISSION

**Question No. 54**

**Senator Siewert asked the following question at the hearing on 23 February 2009:**

Provide year to date expenditure for the Indigenous Intelligence Taskforce. What percentage of this expenditure was spent in the Northern Territory?

**The answer to the honourable senator's question is as follows:**

ACC expenditure for the National Indigenous Intelligence Task Force (NIITF) as at 31 January 2009 was \$2,774,772. The ACC reports expenditure on a project basis as such does not capture costs specifically on a state/territory basis.
