

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS  
AUSTRALIAN CUSTOMS AND BORDER PROTECTION SERVICE

**Question No. 75**

**Senator Fielding asked the following question at the hearing on 8 February 2010:**

Have any other vessels been intercepted by Indonesia after ACBPS has provided intelligence?

**The answer to the honourable senator's question is as follows:**

Vessels have been intercepted by Indonesia after Australian Government agencies provided intelligence. Customs and Border Protection does not play the principal role in the provision of intelligence to support interception by other countries.
