Question No. 94

Senator Humphries asked the following question at the hearing on 14 February 2012:

Government stationery requirements

How much was spent by each department and agency on the government (Ministers/Parliamentary Secretaries) stationery requirements in your portfolio (i.e. paper, envelopes, with compliments slips) this financial year to date?

The answer to the honourable senator's question is as follows:

The Attorney-General's Department purchases Ministerial stationery on behalf of the portfolio.
