ATTORNEY-GENERAL'S DEPARTMENT

Portfolio

Question No. 110

Senator Humphries asked the following question at the hearing on 12 February 2013:

Protective Security Policy Framework

Provide an update for your department/agency, including what is your current compliance level, what are you doing to manage risk, what is being done to comply with the mandatory policies and procedures.

The answer to the honourable senator's question is as follows:

Like other Australian Government agencies, the organisations that make up the Attorney-General's portfolio are progressively implementing the Protective Security Policy Framework (PSPF) and are working towards compliance with the mandatory provisions of the PSPF. As required under the PSPF, a full report on compliance status will be prepared in August 2013.
