IMMIGRATION AND BORDER PROTECTION PORTFOLIO

(AE14/225) PROGRAMME – 1.1: Visa and Migration

Senator Carr (Written) asked:

Is the Department planning to include any information on 457 LMT in its quarterly 457 State/Territory summary reports from March 2014? If not, why not?

Answer:

The department is not able to include any information on labour market testing undertaken in relation to the subclass 457 programme in any regular reports as the underlying source data is not readily accessible or able to be analysed statistically.
