Chair
Senate Legal and Constitutional Committee
Parliament House
Canberra ACT 2600

Dear Senator

During the appearance of the Australian Federal Police (AFP) before the Senate Legal and Constitutional Affairs Committee on 27 May 2003, I undertook to provide information in relation to a question from Senator Greig regarding an allegation by two women of sexual servitude. Senator Greig provided a copy of correspondence from Roach and Halligan Solicitors requesting tapes of an interview apparently conducted by Federal Agent Guy Newling with their two female clients.

I am advised that Federal Agent Newling, who was outposted to the Department of Immigration and Multicultural and Indigenous Affairs (DIMIA) as a client liaison officer at the time, did speak with one of the women via an interpreter on 2 May 2002. Federal Agent Newling was with a female DIMIA officer at the time and recorded the conversation. A copy of the three audio tapes was provided to Roach and Halligan Solicitors on 28 May 2003.

Federal Agent Newling did not speak with the other woman.

The AFP is contacting DIMIA to discuss the information provided by the two women.

Yours sincerely

M. Keelty
