

**RRT Caseload Report - Level of compliance with 90 day time limit
as at 31 May 2006**

Cases on hand

All cases

- 735 cases on hand.
- 61 cases over 90 days old since receipt of the Department's file (8.3%).

Cases active as at ¹	Days since the Department's file was received ²					Total	Cases >90 days	
	<=90	91-183	184-274	275-365	>365		No.	%
31/07/05	799	311	37	5	4	1,156	357	30.9%
31/08/05	774	293	73	4	2	1,146	372	32.5%
30/09/05	819	226	45	4	1	1,095	276	25.2%
31/10/05	734	130	29	2	0	895	161	18.0%
30/11/05	615	111	21	2	0	749	134	17.9%
31/12/05	544	113	18	2	0	677	133	19.6%
31/01/06	460	105	21	2	0	588	128	21.8%
28/02/06	404	68	12	2	0	486	82	16.9%
20/03/06	440	62	25	2	0	529	89	16.8%
30/04/06	580	47	25	2	1	654	75	11.5%
31/05/06	675	41	19	1	0	735	61	8.3%

Unallocated cases

- 166 cases awaiting allocation (22.6% of active cases).
- 1 case over 90 days old since receipt of the Department's file.
- 75 cases awaiting the Department's file (on average, 15 days since Department's file was requested).

Allocated cases

- 569 cases with members (77.4% of active cases).
- 60 cases over 90 days old since receipt of the Department's file (10.5% of allocated cases).
- 55 cases over 90 days old since date of allocation to a member (9.7% of allocated cases).

¹ Data as at 5/06/06. Figures may vary slightly from previous reports due to nature of caseload processing, including delays in data entry/case management system error/ recalled decisions.

² Days since the Department's file was received or date of constitution if not in receipt of the Department's file. Unconstituted cases without the Department's file are taken to be zero days old.

Finalisations

- 3,071 cases have been finalised since 1 July 2005.
- 56.7% of these cases were finalised within 90 days of receiving the Department's file.
- 86.6% of detention cases and 54.8% of community cases were finalised within 90 days of receiving the Department's file.
- Average time taken to finalise cases since 1 July 2005 has been 99 days.
- Average time taken to finalise cases in March was 94 days compared to 82 days in April. The average time in May to date has been 87 days.
