Senator Carr (L&C 54) asked:

What relationship do you have with World Workers Pty Ltd?

*Answer:*

World Workers Pty Ltd is an approved Standard Business Sponsor. As at 8 September 2006, the Department had granted primary Subclass 457 visas to five interpreters employed by World Workers Pty Ltd. It is understood these workers provide interpreting services for visa holders employed by the abattoir sponsors for whom World Workers Pty Ltd is an authorised contact.

The Department also deals with World Workers Pty Ltd in its capacity as authorised recipient of communications from the Department, on behalf of certain other sponsors and visa applicants.
