

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS
CRIMTRAC

Question No. 99

Senator Ludwig asked the following question at the hearing on 23 May 2007:

What search fields are available on MNPP?

The answer to the honourable senator's question is as follows:

The search fields available on the MNPP generic web application include:

Surname (Preferred or Alias)

Surname, family or last name of the person.

Name 1 (Preferred or Alias)

First or given name of the person.

Name 2 (Preferred or Alias)

Second or middle name of the person.

Date of birth

The date of birth relating to a name of the person.

A full or partial date may be entered. (A day of month and/or a month of year and/or a year of birth.)

Age and to

The age or age range of the person. The user may enter:

- an age from;
- an age to; or
- an age from and age to.

Sex

The recorded gender related to a name of the person.

Suburb

The suburb recorded as part of a residential, business, contact or postal address for the person.

State (1)

The state recorded as part of a residential, business, contact or postal address for the person.

Involvement

The involvements recorded against a person. Valid values are 'All', 'Warning', 'Warrant', 'Wanted', 'Firearm', 'Bail', 'Order Protected', 'Order Defendant', 'Offences', 'Missing', 'Active Missing', 'Escapee', 'Active Escapee', 'Unidentified Person', 'Unidentified Body'.

A specific involvement or a combination of two involvements may be chosen.

Logical operator

If more than one involvement is chosen then this value will be used to combine the involvement expressions together. For example, the user may select a 'Wanted' and a 'Bail', or a 'Wanted' or a 'Bail'.

Driver licence

The person's drivers licence number.

State (2)

The state or agency that issued the driver licence.

Local Reference Number

A unique number from the jurisdiction's system to identify the person.

State (3)

The state that issued the local reference number.

Fingerprint Number

Unique fingerprint identifier of the person, also known as, the Case Number Identifier (CNI) fingerprint number issued from the National Automated Fingerprint Identification System (NAFIS).
