IMMIGRATION AND CITIZENSHIP PORTFOLIO

(164) Output 1.1: Migration and Temporary Entry

Senator Carr asked:

DIAC made representations, in July of 2006, to Mr. McBurney that the Department would 'soon' correct the record on statements by its officers to this committee regarding the date on which DIAC's privacy section first received notice of Mr McBurney's complaint. It is now almost a year later. Did you ever send this information to Mr McBurney, as you said you would? Why have you taken so long?

Answer:

Mr McBurney was advised on 21 May 2007 that a correction to the Senate record had been provided.
