Senator Nettle (L&CA 31) asked:

Are the 28 Australian citizens in the 84 that you have already got the Ombudsman's case summaries for and are dealing with?

Answer:

The Ombudsman has progressively provided the Department with case analyses for each of the Referred Immigration Cases. As at 30 June 2007, following the provision of further case analyses by the Ombudsman, the Department has received all case analyses for the 28 Australian citizens identified by the Department.
