**BUDGET ESTIMATES HEARING: 21 May 2007**

**IMMIGRATION AND CITIZENSHIP PORTFOLIO**

**(52) Output 1.1: Migration and Temporary Entry**

Senator Crossin (L&CA 56) asked:

Do you keep a breakdown of those sites that are visited based on a newspaper article or a phone call from a trade union or people who do not answer their questionnaire properly? Can you provide those statistics to me by a further analysis?

*Answer:*

This specific information is not readily accessible. Collation would be an unreasonable diversion of departmental resources.
