

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS
AUSTRALIAN FEDERAL POLICE

Question No. 4

Senator Barnett asked the following question at the hearing on 26 May 2008:

Cyber Safety initiative: Please provide details of the funding formula used for the calculation of administrative support.

The answer to the honourable senator's question is as follows:

The calculation for administrative support in the Cyber Safety initiative is based on the Department of Finance and Deregulation standardised costing template. The template calculates administrative support at \$6,000 per staff member funded under the proposal, and applies the wage cost index and efficiency dividend in the out years.
