Senator Barnett (L&CA 67) asked:

What is the location of the existing outreach officers?

*Answer:*

There are currently two types of outreach officers:

Industry Outreach Officers (IOO) are hosted by peak industry organisations to provide expert support to their members on how to use immigration options to address skill shortages, and aim to increase employer-sponsored skilled migration.

Regional Outreach Officers (ROO) are located within DIAC business centres and promote the Australian Government's state-specific and regional migration mechanisms.
