(75) Output 2.4: Promoting the Benefits of a United and Diverse Society

Senator Barnett (L&CA 49) asked:

In relation to the Living in Harmony Program review, have you appointed any consultants? If so, can you advise the committee?

Answer:

No. This is an administrative review being undertaken by the Department to look at renewed strategies for the program's communications, branding and funding approach.

Graphic design agencies have been engaged to provide the Department with creative design concepts for the rebranding and repositioning of the program.
