

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS
ATTORNEY-GENERAL'S DEPARTMENT

Sub Program 2.1.2

Question No. 34

Senator Barnett asked the following question at the hearing on 25 May 2009:

Do the 183 projects in support of emergency management volunteers listed on the EMA website outline where they are being undertaken? If not, provide the Committee with a list of where each project is being undertaken.

The answer to the honourable senator's question is as follows:

Details of where the 183 projects funded through the National Emergency Volunteer Support Fund in 2008/09 are being undertaken are listed on the EMA website by locality or geographic area. A number of projects have state-wide rather than local applicability and these are identified as state-wide projects on the website.

Details of funded National Emergency Volunteer Support Fund projects can be found on the EMA website www.ema.gov.au by following the "*Funding and Grants*" and "*Funded Programs*" links.
