Question No. 159

Senator Barnett asked the following question at the hearing on 27 May 2009:

In relation to RTO Strategic Development Solutions consultancy on redevelopment of Emergency Management Australia Education and Training Evaluation System, completed 05/03/08 could you provide detail of the outcomes and provide a copy of the report and the Government's actions in response to this report?

The answer to the honourable senator's question is as follows:

The study was ceased by Emergency Management Australia on 25 January 2008 with notification to RTO Strategic Development Solutions, prior to completion and therefore no report was completed. The decision to cease the study resulted from a proposed change in the focus of educational products to be delivered through the EMA Institute.
