

SENATE STANDING COMMITTEE ON LEGAL AND CONSTITUTIONAL AFFAIRS
AUSTRALIAN CUSTOMS AND BORDER PROTECTION SERVICE

Question No. 36

Senator Parry asked the following question at the hearing on 25 May 2010:

If ACBPS greets 6,450 vessels that arrive in Australia each year, what is the total number of arrivals? What percentage is greeted out of this total number of arrivals?

The answer to the honourable senator's question is as follows:

The number of arrivals varies from year to year. The Australian Customs and Border Protection Service greets as many vessels as possible, including all high risk vessels.
