

QUESTION TAKEN ON NOTICE

BUDGET ESTIMATES HEARINGS: 26-27 MAY 2010

IMMIGRATION AND CITIZENSHIP PORTFOLIO

(92) Program 4.2: Onshore detention network **Program 4.3: Offshore asylum seeker management**

Senator Humphries (L&C 63-64) asked:

The committee has received a document that I think is from DIAC headed *Immigration detention statistics summary*, which sets out, as at 7 May 2010, all the places of immigration detention and the break-up between men, women and children in each place. Can we have an update of that, please? Provide the information with place of detention by nationality.

Answer:

The updated *Immigration Detention Statistics Summary* is attached, with data as at 21 May 2010.

The *Immigration Detention Statistics Summary* is found on the Department of Immigration and Citizenship website:

<http://www.immi.gov.au/managing-australias-borders/detention/facilities/statistics/>

The statistics on the website are updated regularly.

With regard to place of detention by nationality, please refer to the response to question 68.
