IMMIGRATION AND CITIZENSHIP PORTFOLIO

**(BE11/0284) Program 3.1: Border Management**

Senator Eggleston (L&CA written) asked:

Do all Australian international airports provide facilities for use of the card?

*Answer:*

APEC lanes are available in all of Australia's designated major international airports. These lanes are signposted and are shared with airline crew and diplomats. APEC lanes are not available at other airports that may infrequently receive international flights.
