

QUESTION TAKEN ON NOTICE

BUDGET ESTIMATES HEARINGS: 23 – 24 MAY 2011

IMMIGRATION AND CITIZENSHIP PORTFOLIO

(BE11/0407) Program 4.2: Onshore Detention Network

Senator Cash asked:

Is the Computer and Internet usage monitored? How?

Answer.

Computers at all immigration detention centres have content filters which block access to inappropriate websites. In addition, clients use a roster system to ensure equity in computer access and this access is physically monitored by Serco staff within the communal facility.
