Senator Cash asked:

How many IMAs in the period to date have had ASIO security checks? How many have received adverse assessments. How many adverse assessments has ASIO given to IMAs since August 2008 and how many have been given to non-IMA asylum seekers over the same time frame? How many are still in detention? How many have been removed from Australia? What is the future for these people?

*Answer:*

Questions relating to security assessments should be addressed to ASIO.
