Senator Natale (L&CA Written) asked:

Will the submissions the Access & Equity Inquiry considered become public and, if yes, when? If no, why not?

*Answer:*

A summary report of key themes raised in submissions to the Access and Equity Inquiry will be made available on the department's website.

Subject to the written permission of individuals and organisations that made submissions, submissions to the Access and Equity Inquiry will also be made public via the department's website.

It is expected that the summary of key themes report and the submissions will be published together on the department's website in July 2012.
