Please provide a breakdown of costs including the number of people involved for 2011-12 and in 2012-13 to date. What were the budgeted costs for 2012-13?

Answer:

Yongah Hill immigration detention facility was opened on 27 June 2012. There was no client transfer costs recorded in the 2011-12 financial year.

The costs for transporting asylum seekers out of the Yongah Hill Immigration detention facility for 2012-13 as at 31 May 2013 are:

Category	FY 12/13 to 31 May Costs
Commercial Travel	\$695,499
Charter	\$0
TOTAL	\$695,499

The reported expenses reflect flights transferring clients between facilities, and to and from medical and legal appointments, as well as travel to destinations in the community.

Local outings are provided by our contracted service providers. Associated costs are covered by larger contractual arrangements.

Costs for transporting asylum seekers into the facilities are not recorded as this is reflected in the outgoing costs for the facility they have been transferred from.

Information relating to client and escorts numbers is not readily available and an unreasonable degree of effort would be required to extract this information from official records.

A budget estimate for 2012-2013 for specific transfers into and out of Yongah Hill is not available.
