

SENATE LEGAL AND CONSTITUTIONAL LEGISLATION COMMITTEE
AUSTRALIAN CUSTOMS SERVICE

Question No. 197

Senator Ludwig asked the following question at the hearing on 31 October 2005:

Why has the new cargo systems newsletter ceased functioning in the middle of new cargo systems implementation?

The answer to the honourable senator's question is as follows:

The provision of information was changed from the weekly new cargo systems newsletter to the Customs cargo management re-engineering web site to improve timely access to the information that it contained.
