

QUESTION TAKEN ON NOTICE

SUPPLEMENTARY BUDGET ESTIMATES HEARING: 1 November 2005

IMMIGRATION AND MULTICULTURAL AND INDIGENOUS AFFAIRS PORTFOLIO

(12) Output: Internal Product

Senator Conroy asked:

Please provide details of total departmental/organizational spending on Information and Communication Technology products and services during the last 12 months.

Answer:

DIMIA

The department spent \$172,763,641 (\$155,149,855 operating and \$17,613,786 capital) on Information and Communication Technology products and services during 2004-05 financial year. This amount includes spending on ICT External Service Providers and DIMIA internal spending.

RRT

Total spending on Information and Communications Technology (ICT) for the Refugee Review Tribunal (RRT) in 2004-05 was \$858,999.
