Question No. 5

Senator Brandis asked the following question at the hearing on 20 October 2008:

Are you able to give the Committee particular information as to when, later in the year, the Prime Minister is going to make a statement in relation to the Smith review?

The answer to the honourable senator's question is as follows:

The Australian Government is currently considering the recommendations made in the review. The Department of the Prime Minister and Cabinet hosted the review. Specific questions should be directed towards that Department.
