Parliament House  
CANBERRA ACT 2600

Dear Mr Hallahan

**Standing Committee on Legal and Constitutional Affairs, Senate Estimates, Monday 20  
October May 2008**

I am writing to expand on a response I gave at the Senate Estimates on 20 October 2008.

During the period questions were directed at the Federal Court (L&CA p104) I advised that advertising for the replacement of Justice French in Perth had been placed in *The Australian* and *The Australian Financial Review*.

The answer was incomplete in that I did not mention that the position was also advertised in *The West Australian*, which occurred on Saturday 13 September.

Yours sincerely

Ian Govey
