Dear Ms Dennett,

Subject: Correction to Senate records

I am writing to you to correct information provided to the Supplementary Budget Estimates heading in October 2009, and recorded in Hansard (L&C 20 October 2009). In response to a question from Senator Fierravanti-Wells, I replied as follows:

'In the first three months we have reached a position where we are meeting service standards'.

The correct reply is:

'In the first three months we have reached a position where we are meeting service standards for initial registration, and are below service standards for repeat registration applications'.

Please do not hesitate to contact me if you require any further information.

Yours sincerely,

Christine Sykes
