

QUESTION TAKEN ON NOTICE

SUPPLEMENTARY BUDGET ESTIMATES HEARING: 19 OCTOBER 2010

IMMIGRATION AND CITIZENSHIP PORTFOLIO

(68) Program 4.2: Onshore Detention Network

Senator Cash (L&CA 69) asked:

In relation to the Curtin detention facility, how many revisions of the master plan, the plan that I handed up before which we call the master plan for the purposes of the questioning, have been prepared since the original one? What is the current revision categorisation?

Would revision A be master plan 1? Is this how it works? What I have in front of me says Rev U.

Answer:

The first version of the master plan is labelled Rev A and was issued for review on 21 July 2010. As at 19 October 2010, a total of 20 revisions had been made to the master plan, meaning that Rev U is the 21st version. Every change to the plan requires the plan to be updated, relabelled and resubmitted.
