Senator Cash (L&CA 74) asked:

In relation to the Curtin detention facility, can the department confirm that revision P of the master plan, described as issued for construction, was issued on September 3?

Answer:

Revision P was issued to the department on 3 September 2010. This provided the guidance for more detailed planning to enable construction of Stage 2. The master plan still identified Stage 3 as "Provision for possible future expansion".
