Senator Cash (L&CA 86) asked:

In relation to the Curtin detention facility, on what date did all subcontractors commence work on site for stage 2 and/or 3 of this project?

*Answer:*

Subcontractors were already onsite working in the Stage 1 area and remained on-site once the ground works had been completed and trenching started. Complete Site Services (CSS) has not been able to provide an exact date all contractors started for Stage 2 because some continued working on the first stage.
