Question No. 91

Senator Humphries asked the following question at the hearing on 18 October 2011:

Hospitality and Entertainment

- 1) What is the Department/Agency's hospitality spend for the year 2010-11? Detail date, location, purpose and cost of all events.
- 2) For each Minister and Parliamentary Secretary office, please detail total hospitality spend for the year 2010-11. Detail date, location, purpose and cost of each event.
- 3) What is the Department/Agency's entertainment spend for the year 2010-11? Detail date, location, purpose and cost of all events.
- 4) For each Minister and Parliamentary Secretary office, please detail total entertainment spend for the year 2010-11. Detail date, location, purpose and cost of each event.
- 5) What hospitality spend is the Department/Agency's planning on spending? Detail date, location, purpose and cost of all events.
- 6) For each Minister and Parliamentary Secretary office, what hospitality spend is currently being planned for? Detail date, location, purpose and cost of each event.
- 7) What entertainment spend is the Department/Agency's planning on spending? Detail date, location, purpose and cost of all events.
- 8) For each Minister and Parliamentary Secretary office, what entertainment spend is currently being planned for? Detail date, location, purpose and cost of each event.

The answer to the honourable senator's question is as follows:

The Office of the Commonwealth Director of Public Prosecutions and the Office of Parliamentary Counsel have not incurred any hospitality or entertainment costs for 2010-2011 or FYTD. For operational security reasons it would be inappropriate for the Australian Security and Intelligence Organisation to respond to part 1) and part 5).

All stated financial figures are GST exclusive.

- 1) For the Attorney-General's Department and the following portfolio agencies see Attachment A (page 4): Australian Commission for Law Enforcement Integrity, Australian Crime Commission, Australian Customs and Border Protection, Australian Federal Police (AFP), Australian Human Rights Commission, Australian Law Reform Commission, CrimTrac, High Court of Australia, Insolvency and Trustee Service Australia (ITSA).
- 2) See answer to part 2) on page 2.
- 3) See answer to part 1).
- 4) See answer to part 2).

- 5) Due to the ad hoc nature of hospitality there are no specific plans in place for hospitality or entertainment, however it is expected these will be provided during the normal course of conduct of the portfolio's activities during the remainder of the financial year. Attachment B provides details on spending in between 1 July – 18 October 2011 for the Attorney-General's Department, AFP and the High Court of Australia.

The Australian Commission for Law Enforcement Integrity, Australian Human Rights Commission and CrimTrac have no significant events planned for 2011-12.

The Australian Crime Commission has been allocated \$15 000 to the 2011-12 financial year to fund a similar scope of stakeholder functions as occurred in 2010-11.

As the provision of official hospitality/entertainment is infrequent and incidental in nature and is therefore not a core component of the agency's activities, Customs and Border Protection does not budget separately for these items.

The High Court of Australia has planned to cater two public lectures, one in November 2011 and one in June 2012. Each has been allocated \$3 000.

The Australian Law Reform Commission is forecasting a similar level of expenditure for 2011-12 as it incurred in 2010-11.

ITSA has no defined plan to spend on specific hospitality/entertainment during any period although would expect to incur minor expenditure in these categories.

- 6) See answer to part 6) below.

- 7) See answer to part 5).

Attorney General's Department

- 2) The total cost of ministerial hospitality and entertainment for the Attorney-General and the Minister for Home Affairs and Justice for the year 2010-11 is \$1 210.86 and is detailed in the table below.

Date of function	Location	Purpose	Total cost
22 September 2010	Canberra	Official dinner with the Solicitor General and the New Zealand Minister for Justice and Commerce	\$320.00

28 June 2011	Selangor, Malaysia	Official lunch with Malaysian delegate	\$256.11

- 4) See answer to part 2).

- 6) Due to the ad hoc nature of hospitality there are no specific plans in place for hospitality or entertainment, however it is expected these will be provided during the normal course of conduct of the ministerial activities during the remainder of the financial year. The following table provides details on spending from 1 July – 18 October 2011 and totals \$544.79.

Date of function	Location	Purpose	Total cost
19 September 2011	Canberra	Official dinner with members of the Law Council of Australia	\$306.36
6 July 2011	Canberra	Mid-Year Portfolio discussion and review with Ministers, Senators and Members of Parliament	\$238.43

8) See answer to Part 6)

Australian Government Solicitor

1) AGS's records for hospitality and entertainment costs for 2010-11 show a figure of \$214 000.

These expenses relate predominantly to client hospitality. As a government business enterprise operating on a commercial and competitive basis in providing legal and related services to government and its agencies, AGS regards appropriate hospitality for client agencies as necessary to promote our legal services and skills and to strengthen our business relationships. Some AGS hospitality costs also relate to events involving employees (eg internal meetings, events to mark particular achievements by AGS or employees and end of year functions).

Given AGS's commercial operation, it would not be appropriate to identify specific details of each event.

5) AGS has a range of events planned for 2011-12, but does not expect expenditure to increase significantly from 2010-11.

7) See answer to part 5).
