

SE11/0298 – ATTACHMENT A – Part 1

Mental Illness Diagnoses and Use of Psychotropic Medication as at 30 September 2010, 4 February 2011, 6 May 2011 and 15 September 2011 (Data provided by IHMS)

- figures have been rounded to the nearest whole percentage
- the data for 30 September 2010, 4 February 2011 and 6 May 2011 was obtained close to those dates by conducting manual analysis of client files. The data for 15 September 2011 was extracted from an electronic medical records system. IHMS has advised that it is not reasonably possible to obtain retrospective figures where the data is marked 'Not available'.
- data for Sydney IRH is not available as clients are managed by community providers
- *some people diagnosed with a mental illness may not require psychotropic medication. The figures for people prescribed psychotropic medication include some double-counting due to some people receiving a combination therapy of several medications.

Facility	Number of people diagnosed with a mental illness by a psychiatrist or GP at any period during their time in immigration detention – may include people no longer with a mental illness				Number of people prescribed anti-depressants at given date*				Number of people prescribed anti-psychotics at given date *
