re Northam Detention Centre
Protective Mark

Dear Sirs

In light of current events on Christmas island
Your inability to give any reassurance or guarantees for our safety
Your total disregard and contempt for us, our home and lifestyle
We formally request that you BUY us out
"Non emotional" reason being we do not want to live next to this! the
security risk is too high
Provide us with sufficient compensation to move on with our lives away
from this major security risk you are planning to place in our back yard
You have shown total disregard for the people living next to and near
this, to the point where you have placed the Sewage treatment plant at our
back door
We do not want to live with this level of physical and mental stress
I strongly suggest that you get whom ever has the power to make any
decisions re this debacle to contact us ASAP, and stop hiding behind "we
can't make that decision"

Regards

John & Catherine Edwards
