> Yesterday at approximately 4:30 pm (Perth time) our Ops department
 > recieved a call from the Edwards stating that their water had been
 > cut off. The Edwards are looking to take action via the Media which
 > is an outcome none of us want. We have been given a deadline of C.O.
 > B today to respond to the Edwards. Our Ops department called Water
 > Corps emergency response last night and Watercorp sent out a team to
 > fix the problem.
