Senator Cash (written) asked:

Jandakot: What was the cost of transporting asylum seekers (including the use of charter aircraft and buses, cars etc.) to and from Jandakot, including as a result of transfer from another centre, transfers for health and other appointments and outings? Please provide a breakdown of costs including the number of people involved for 2011-12. What are the budgeted costs for 2012-13?

*Answer:*

The costs for transporting asylum seekers out of Jandakot airport for the 2011-2012 financial year are \$448.

The reported expenses reflect flights transferring clients between centres, and to and from medical and legal appointments, as well as flights, trains and buses to final settlement destinations.

Local outings are provided by our contracted service providers. Associated costs are covered by larger contractual arrangements.

Costs for transporting asylum seekers into the centres are not officially recorded as this is reflected in the outgoing costs for the closing centre.

A budget estimate for 2012-2013 for specific transfers into and out of Jandakot is not available.

The centre's lease ended 1 November 2011.
